

BatteryMBA

A 12-week online training for the next generation of battery leaders

 Led by global battery experts

 Trusted by over 900+ professionals from 60+ countries

The BatteryMBA was one of the best learning opportunities I could have wished for entering the battery industry and I will remain grateful for it for the entirety of my career.

– Nicolina Nanni, BatteryMBA Alumna from Cohort 6

Programme Overview

- 12-week, part-time, 100% online
- 2-4 hours of commitment per week
- 2 live sessions per week (1 h live lecture + 1 h office hour discussion + 1 h optional case study)
